## ESSENTIALS LIMITED

## WHO WE ARE

Magare Essentials Company Limited stands as a distinguished Tanzanian manufacturer and supplier of wide range of safety wear and other protective equipment , proudly holding ISO 9001:2015 certification. Our primary expertise lies in the production of premium workwear and leatherwear, underpinned by an unwavering commitment to innovation, quality, excellence, and an unwavering dedication to exceeding customer expectations. We have garnered a strong reputation as a trusted manufacturer and supplier of diverse clothing and leather products, not only in Tanzania but also across a number of African countries.

WHAT WE DO

## Apparel Manufacturing

Within our apparel division, we have cultivated mastery in crafting a comprehensive range of garments meticulously tailored to cater to diverse industries, including the demanding mining sector. Our extensive product line encompasses safety shirts, work shirts, trousers, high-visibility apparel, coveralls, work-suits, fire-retardant attire, overcoats, work jackets, and an array of other specialized items. Our unwavering commitment is deeply rooted in delivering products that consistently meet and surpass the most stringent standards of quality and durability.

Furthermore, our portfolio extends to encompass classic office and casual wear, featuring an assortment of trousers, shirts, jackets, skirts, coats, and waistcoats. These creations are meticulously conceptualized and crafted by our team of highly skilled professionals, artfully merging comfort, style, and functionality into each piece.

## Leather Manufacturing

Our leather division aims at being the best in the country, and we achieve that by hiring the most qualified individuals who share our values that embody excellence in all aspects of production. Our commitment to quality is evident in every stage of production, from sourcing the very best leather materials, to the crafting of each product up to it being ready for the final user.

Our dedication to quality, innovation, and customer satisfaction makes our leather products the best in the market. The attention to detail in the design and craftsmanship sets us apart from competitors, making us a top choice for customers who value both style and functionality. With a wide range of styles and sizes available, there is a perfect pair of boots and other leather products for everyone, providing comfort and support throughout the day. The combination of superior materials, expert craftsmanship, and a commitment to customer satisfaction makes us a leader in the industry.

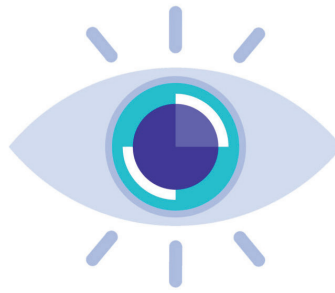

## Our Mission

To provide exceptional workwear and leatherwear solutions that empower individuals and organizations to perform at their best. We achieve this by maintaining a relentless focus on quality, innovation, and customer satisfaction. Through our commitment to excellence and ethical business practices, we aim to be a reliable partner for our clients and a source of pride for our employees and stakeholders.

## Our Vision

To be the preferred supplier of choice for premium workwear and leatherwear in Tanzania and other African countries. We aspire to be recognized for our unwavering dedication to quality, craftsmanship, and innovation. We envision a future where our products enhance safety, comfort, and style for our customers across diverse industries. As we grow, we remain committed to sustainability and responsible business practices that benefit our communities and the environment.

Quality assurance at Magare Essentials Company Limited is an integral part of our commitment to excellence. As outlined in our core values and mission, we prioritize delivering products of the highest quality. Here's how we ensure quality assurance in our operations:

### **Precision and Attention to Detail:**

Our manufacturing processes are characterized by precision and meticulous attention to detail. From the initial design stage to the final product, every step is scrutinized to ensure that quality is not compromised.

### **ISO 9001 Certification:**

We proudly hold ISO 9001 certification, which is a testament to our dedication to maintaining a robust quality management system. This certification underscores our commitment to adhering to internationally recognized standards for quality assurance.

### **In-House Operations:**

We operate an integrated infrastructure facility that covers the entire production process. By having all key processes in-house, including design, cutting, embroidery, printing, sewing, and finishing, we maintain full control over the quality of each product.

### **Quality Control Measures:**

Our quality control measures are stringent and comprehensive. Every product undergoes rigorous inspection and testing to ensure that it meets our high standards for durability, functionality, and safety.

**Continuous Improvement:** We embrace innovation and continuous improvement as part of our core values. This means that we are constantly seeking ways to enhance our products and processes, incorporating the latest advancements and industry best practices to maintain our commitment to quality.

### **Customer Feedback:**

Customer satisfaction is a critical aspect of our quality assurance process. We actively seek and value customer feedback, using it to identify areas for improvement and make necessary adjustments to our products and services.

### **Ethical and Transparent Practices:**

Integrity is a cornerstone of our business. We conduct all our operations with honesty and transparency, which extends to the quality of our products. Customers can trust that our products are accurately represented, and we stand behind their quality.

### **Timely Delivery:**

Ensuring that products are delivered on time is also part of our quality assurance process. We understand that timely delivery is crucial for our customers, and we prioritize meeting their deadlines.
